## TRILOGY<sup>325</sup>

**RODGERS ORGAN COMPANY**  
HILLSBORO, OREGON

## SPECIFICATIONS

The Rodgers Trilog<sup>325</sup> is a complete three-manual organ, with three 61-note overhanging and tilted organ keyboards and a 32-note concave and radiating pedal clavier. Classic in tonal design, the Trilog<sup>325</sup> includes diapason, flute, and string choruses; divided tremulants, chime, Carillon and Harp; balanced expression; Great to Pedal, Swell to Pedal, and Swell to Great couplers.

With three organ keyboards and 32-note pedal board, the Trilog<sup>325</sup> provides the flexibility and proper tonal distribution for the most demanding church music.

With all its resources, the Trilog<sup>325</sup> is extremely compact. The console, which contains all the independent and individually tuned tone generators, takes less wall space than the average spinet piano. When space is at a premium, the Trilog<sup>325</sup> is available with a self-contained, wide-range multiple speaker system. No console modifications are required for external speaker installations.

### DOUBLE-TOUCH PRESET PISTONS

Each of the four preset pistons automatically sets up a combination of stops for all three manuals and the pedal. Touching a piston lightly will add that combination to whatever stopboard and preset combinations are already on. Pressing a piston more firmly will cancel all preset combinations except the one being pressed. The general cancel piston will clear all preset combinations, leaving only those stops set up on the stop board.

Standard console equipment includes illumination for music rack, stop board, and pedal.

### CONSOLE DIMENSIONS

Width ..... 53 $\frac{1}{4}$ "  
Depth (without pedal) ..... 29 $\frac{3}{8}$ "  
Height ..... 45 $\frac{1}{2}$ "

ALL RODGERS INSTRUMENTS ARE GUARANTEED FOR FIVE YEARS.

### GREAT

16' Lieblich Gedeckt

Tremulant

#### GREAT

16' Lieb. Ged.  
8' Open Diap.  
8' Bourdon  
4' Octave  
4' Flute  
2' Super Octave  
Mixture II rk.  
Sw. to Gt. Coup.  
Full Chorus

#### LIGHTED MUSIC RACK

#### PEDAL BOARD LIGHT

#### 5-PISTON PRESET ACTION, with "DOUBLE-TOUCH"

4 Pistons (General)  
1 Cancel

(The "first touch" is additive, turning on the preset combination and adding it to whatever stops are already set up on the stopboard as well as adding it to any other presets that are on. The "second touch" is progressive and cancels all presets except the piston being pushed.)

#### EXPRESSION PEDAL

#### ECHO PROVISIONS

Echo Tremulant  
Echo On  
Main Off

#### COMPACT SIZE

- . . Less wall space than a spinet piano
- . . Will move through a 30" door

#### TONE CABINETS

The Trilogy has built-in versatility. The suggested retail price of \$4,950 includes, for example, the optional Harp and Carillon. It also includes EITHER a self-contained Speaker System OR one Rodgers W 4-50 Tone Cabinet. Optional speakers may be added without modification.

**IMPORTANT:** The Trilogy is in production now. We can promise you delivery by August 31 only if we receive your Production Hold (below) by the 25th of this month. In about two weeks we will send out Order Acknowledgements with delivery dates scheduled in the order in which these Production Holds are received.
