

Rodgers

ORGAN Model 22

A SOUND INVESTMENT FOR THE SMALLER CHURCH

Low Initial Cost—Years of Trouble-Free Service—Authentic Organ Tone. In every respect, Rodgers Model 22 is an ideal instrument for the small church.

All console dimensions comply with American Guild of Organists Standards, including overhanging 61-note organ keyboards (CC to c4) and 32-note concave radiating pedal board.

Available in four standard finishes: Birch (pictured here), Walnut, Oak and Mahogany. Other matching finishes by special order.
