EXPERIENCE ELEVATED

**ANYONE WHO DREAMS AND BELIEVES
IN THEIR VISION WILL EVENTUALLY
WITNESS A NEW REALITY. INSPIRATION
IS AT THE CORE OF KEEPING THIS
UNFALTERING BELIEF ALIVE. AND
INSPIRATION IS INFINITELY MORE
POWERFUL THAN JUST ABOUT
ANYTHING: IT KNOWS NO BOUNDS.**

FOR THOSE WHO BELIEVE IN DREAMS...

Rodgers is proud to present the next generation of home and church organs from our Inspire Series. Born from the dream of enhancing spiritual experiences at churches all over the world... Born from the dream of homes filled with exquisite musical sounds... Born from the dream of bringing this experience within reach of anyone... All created because we believe in that dream.

The Rodgers Inspire Series 227, 233 and 343 organs are designed for those who believe in dreams.

**SINCE TIME IMMEMORIAL, ALL BEAUTY HAS
ARISEN OUT OF HUMAN INSPIRATION AND
CREATIVITY, AND THIS BEAUTY IS PERHAPS
MORE MANIFESTED IN MUSIC THAN IN ANY
OTHER FORM OF ART.**

All the most inspiring music has lasted through the centuries, and we continue to play and enjoy the works of some of the most gifted composers in history to this day. These influential figures continue to inspire us, to never stop making music.

The Rodgers Inspire Series 227, 233 and 343 organs were born from our belief in the power of inspiration. They combine the best in American tradition and the American future: a traditional pipe organ sound meets modern innovation for a spiritual experience like no other.

The Rodgers Inspire Series 227, 233 and 343 bring this intense spiritual experience within reach of all organists, both at home and in church.

RODGERS®

**PROUDLY BLENDING
AMERICAN TRADITION
WITH THE FUTURE**

RODGERS

GREAT

DESIGNED
TO INSPIRE

RODGERS®

THE RODGERS INSPIRE SERIES IS NOT JUST THE PRODUCT OF HUMAN INSPIRATION: IT ALSO SEEKS TO INSPIRE OTHERS IN TURN - INCLUDING YOU, THE ORGANIST, YOUR AUDIENCE, AND THE CONGREGATION.

The Inspire Series 227 home organ, the Inspire Series 233, and 343 church organs are the three centerpieces of the Inspire Series. Designed and built in Hillsboro, Oregon, USA, in the rich tradition of American pipe organs, they boast the highest level of craftsmanship, meticulous detailing and an authentic, unmistakably American pipe organ sound. The Inspire Series is the result of ongoing research and innovation and enriches this uniquely American tradition with a high quality family of organs.

IMPROVED REAL-TIME FLEXIBILITY

One of the main innovations introduced by Rodgers is the Voice Palette™ system. The organs in the Inspire Series are equipped with a standard stop list and also feature three alternative styles or sample banks. The standard stop list – American Eclectic – is shown on the organs' tab stops. The other available styles are English Cathedral, French Romantic and German Baroque. In addition, a Variant Library has been added with extra voices, which the player is free to select. These four styles and the Variant Library include only the highest quality pipe organ sounds.

CREATE YOUR OWN STOP LIST

The entire stoplist of one of these styles can be selected, or voices from various styles can be combined. For example, you can select a Principal 8 from the American Eclectic style, a Prestant 4 from the French Romantic style, a Fifteenth 2 from the English Cathedral style, and Mixtur IV from the German Baroque style. You can combine all these styles to create your own unique stop list.

ARTISTIC FREEDOM

Sitting at the keyboards of the Inspire Series gives the organist's music a personal signature. We believe that inspiration can really only run wild with free rein, and that's ultimately why the Inspire Series was designed. Get Inspired.

RODGERS®

inSpire
SERIES 343

AN IDEAL ORGAN
FOR CHURCH
OR CONCERT

THE INSPIRE SERIES 343 HAS A TOTAL OF 233 STOPS SPREAD OVER 43 ILLUMINATED STOP TABS. THE ORGAN FEATURES FOUR ORGAN STYLES, A VARIANT LIBRARY AND 18 ORCHESTRAL SELECTIONS. EQUIPPED WITH THREE VELOCITY-SENSITIVE MANUALS, A 32-NOTE AGO PEDAL BOARD, AND AN INTERNAL 2.1 AUDIO SYSTEM WITH THE OPTION OF EXPANDING TO A 6.2 PLUS 2-CHANNEL ANTIPHONAL EXTERNAL AUDIO SYSTEM, THE INSPIRE SERIES 343 IS A STATE-OF-THE-ART CHURCH AND CONCERT ORGAN WITH UNENDING FLEXIBILITY.

FOUR ORGAN STYLES

In addition to the standard stoplist – American Eclectic – stops can be selected from the English Cathedral, French Romantic and German Baroque styles. The Variant Library consists of extra stops to choose as desired. The organist is not limited to stops from only one style; all are available instantly. For those who appreciate a large variety of sounds the Inspire 343 is an ideal choice.

INSPIRE SERIES 343

ANTIPHONAL SWITCHING

A particularly convenient feature of the Inspire Series 343 is antiphonal switching. This enables the organ to support congregational worship in large spaces where the congregation may be at some physical distance from the main organ's sound. For musical effects, the organist can transfer the organ sound with the push of a button for multi-directional sound, or sound from only the rear or the front of the worship space.

SERIES 233

ENHANCING THE SPIRITUAL EXPERIENCE

WITH ITS STATE-OF-THE-ART 165 PIPE ORGAN VOICES IN FOUR DIFFERENT STYLES, THE INSPIRE SERIES 233 WAS ESPECIALLY DESIGNED TO ENHANCE THE SPIRITUAL EXPERIENCE. THE ORGAN FEATURES AN INTEGRATED 2.1 AUDIO SYSTEM AND CAN BE UPGRADED WITH AN EXTERNAL 4.2 AUDIO SYSTEM, MAKING IT IDEAL BOTH FOR USE AT HOME AND FOR A CHAPEL OF UP TO 200 PEOPLE.

INNOVATIVE VOICE PALETTE SYSTEM

The organ – available in an oak design in different colors – features two keyboards, a 32-note pedalboard, and 33 original voices in the standard stop list. The innovative Voice Palette™ system allows for the combination of an infinite mix of voices in the various styles. This means the Inspire Series 233 is not just designed to give the freedom to perform any style, but also – to inspire the gathering with celestial music.

INSPIRE SERIES 233

CREATE YOUR OWN SOUNDSCAPES

In addition, there are a number of orchestral voices to choose from, including piano, harp, strings, trumpet, clarinet, and handbells. With all of these possibilities, the Inspire Series 233 gives a blueprint for unlimited inspiration, enhancing the spiritual experience.

SERIES 227

**YOUR DREAM
STARTS RIGHT
IN YOUR VERY
OWN HOME...**

THE INSPIRE SERIES 227 WAS DESIGNED AND MANUFACTURED AS A HOME ORGAN: THE COMPACT CONSOLE, MADE FROM OAK AND AVAILABLE IN DIFFERENT COLORS, HAS THE CLASSIC LOOK TO BRING INSPIRATION TO ANY HOME. WITH ITS TWO KEYBOARDS, 27 VOICES IN THE STANDARD STOP LIST, AND 18 ORCHESTRAL VOICES, THE ORGAN PROVIDES A RICH VARIETY OF MUSICAL POSSIBILITIES.

135 PIPE ORGAN VOICES

The innovative Voice Palette™ system provides a total of 135 high-quality pipe organ voices. The organist can experiment with an infinite combination of voices in the various styles, and have access to orchestral voices, such as piano, harpsichord, harp, strings, trumpet, clarinet, and handbells. The Inspire Series 227 is equipped with an integrated 2.1 audio system which will bring the pipe organ and orchestral voices to life.

INSPIRE SERIES 227

REHEARSING, COMPOSING, AND IMPROVISING

The organist can rehearse, compose and improvise anytime at home to prepare for a church service, perfect a concert or recital, teach students the organ, or engage in a little musical imagination. Dreams can start right at home!

unique voices from 4 different styles.

**A QUICK
LOOK AT THE
INSPIRE SERIES**

A highly balanced **audio system** with
2.1 internal and optional up to 6.2 external
which can reach an audience of up to 250.

Rehearsing, composing, and improvising
anytime - **right at home.**

All the organ's features are designed to raise the
spiritual experience of music at home and during church
services **to a higher level.**

RODGERS®

RODGERS INSTRUMENTS HAS BEEN BUILDING THE HIGHEST-QUALITY HOME AND CHURCH ORGANS SINCE ITS INCEPTION IN 1958. THEIR QUALITY IS BASED ON DECADES OF EXPERTISE AND PROVEN ARTISANSHIP, AN ENDLESS FOCUS ON DETAIL, AND AN UNWAVERING DEDICATION TO BRINGING THE AUTHENTIC AMERICAN PIPE ORGAN SOUND IN OUR ORGANS TO LIFE.

RODGERS BRINGS THE AUTHENTIC AMERICAN PIPE ORGAN SOUND TO LIFE

INSPIRATIONAL LEADER

Rodgers is an inspirational leader in digital organ technology. Thanks to extensive research and ongoing innovation, our organs are the ultimate expression of the American musical tradition.

SPIRITUAL EXPERIENCE TO THE HIGHEST LEVEL

Rodgers organs are designed to do one thing: move the congregation with the spiritual power of music. Every feature and detail of our organs helps the performer elevate the spiritual experience for the audience.

RODGERS®

**DEDICATED TO MOVING
HEARTS AND SOULS**

Since 1958, Rodgers has been committed to heightening the spiritual experience of audiences with the transformational power of music. Rodgers organs not only capture the essence of American pipe organ sound, they have led the way in making organs more accessible to places of worship, universities, music schools, and enthusiasts around the world.
